BASEMENT PLAN UPDATE

On April 24th, the Voters' Assembly approved the proposed plans for finishing the basement with new Sunday School classrooms. The church properties committee has been authorized to oversee the project's completion. Work will begin in May, with anticipated completion by September. As we begin our work we have available funds totaling \$44,000 of the expected total project cost of \$106,000. Our goal is to raise as much of the remaining balance (\$62,000) before the project is finished. Any remaining balance will be borrowed internally from the church roofing fund. You will find specially designated building fund envelopes in your bulletin box and in your church pews.

CATECHISM REVIEW

The Third Article of the Creed

What is the Holy Christian Church?

The Holy Christian Church is the communion of saints, the total number of those who believe in Christ. All believers in Christ, but only believers, are members of the Church (invisible church).

"Functional Atheist No More!"

Guest Speaker: Rev. Dr. Dale A. Meyer

Christians like to think of themselves as following the first disciples. That's uncomfortably true.

The first disciples had trouble believing the promises of Jesus for their daily lives. Too often we do too. On Pentecost the Spirit of the risen Lord Jesus gave the first disciples faith like they had never had before. The same Spirit is ready to do the same for us.
