CATECHISM REVIEW

The Sacrament of Holy Baptism

LIFE QUOTE

June 5 “Pro-choice has come to mean the right of a woman to give her unborn child life or not. I am not sure why. American women have the ability to make many other choices that raise us up as women rather than give us something to be ashamed about: We have the right to choose not to become merely a sexual object to men or women. We have the right to choose to develop our intellectual abilities and talents. We have the right to choose to marry or not. We have the right to choose to not engage in sex with every man that we meet. We have the right to choose to be proud that we are the vessels that give life. We have the right to choose that sex be the vehicle that nurtures a relationship between a husband and wife. We have the right to exalt life.” *Jan Flanagan – A Life Quote from Lutherans For Life* • www.lutheransforlife.org
