Willard Holst, Jeanette Falkner, Bill Langhans, Melissa Barbey, Catherine Smith, Phillip Sorenson (dealing with chronic illness), Pat Banitt (struggling with Disembarkment Syndrome), Burnetta Dicke, Bob Langhans, the family and friends of Jean Peterson (Karen Stemmann's sister) as they reflect on her passing, and Gretel Meyer and Anneliese von Knobelsdorff (as they mourn the passing of a brother).

FELLOWSHIP TIME TREATS

A sign-up sheet has been posted on the bulletin board for those who would be willing to bring treats on Sunday mornings. Our time of food and fellowship is offered after Sunday School and before worship at 9:45 AM.

CHURCH THEFT

In the early hours of Thursday morning, a thief was able to obtain access to our church building. The only missing item is Pastor's iMac Apple computer, which was taken off his desk. The door to the old handicapped-accessible entrance (the old ramp entrance) was discovered hanging open on Thursday morning. All church members are advised to take precautions as suspicious vehicles have been seen stopped in front of the church and over by the dumpster. The Goodhue County Police have warned that drug sales and abuse is incredibly high in our area at this time. Please pray for those struggling with drug abuse that they would be led on the way of repentance and faith.

RED WING MOPS

Red Wing MOPS (Mothers of Preschoolers) is a group of moms with kiddos from birth through kindergarten. We meet 14 times throughout the school year, the 1st and 3rd Fridays from 9:00 AM to 11:00 AM. We are a group of moms supporting one another and walking together in our faith. You can expect: HOT!! Coffee and Breakfast (we couldn't meet without it), speakers (to give us insights and ideas), small groups (to connect with other moms and grow and learn together), crafts (fun, easy projects for even the least crafty of us), and childcare (kids have fun at MOPPETS during meetings). Our hope for each mom is that she will be encouraged and feel better-equipped as a parent. We believe that better moms make a better world. For more information, email redwingmops@gmail.com or follow us on Facebook: MOPS - Red Wing. Feel free to speak with Laurel Rortvedt here at church for more information. Hope to see you soon!

CATECHISM REVIEW

How is human reason to be used in understanding Holy Scripture?

A) Holy Scripture is given in human language. To determine what it says we need to apply the rules of language, such as grammar and logic. It is right to use reason as a servant of the text, but the guidance of the Holy Spirit is essential for its proper understanding.

B) Unlike all other books, Holy Scripture is God's Word and truth. It is wrong to question or deny the truthfulness of the sacred text (as happens, for example, with historical criticism).

LIFE QUOTE

September 25 "The primary goal in fatherhood is to help children grow in the Lord so that throughout their lives they will look to the Savior in faith and follow Him in Christian love. Our most fervent hope and prayer is that they will be and remain members of God's eternal family. May God bless our fathers in carrying out their crucial role in Christian fatherhood!" *Rev. Mark Gullerud, pastor at Redeemer Lutheran Church, Bowdle, South Dakota – A Life Quote from Lutherans For Life • www.lutheransforlife.org*

SUNDAY MORNING BIBLE CLASS

All are welcome to attend the Sunday Morning Bible Class held at 9:00 AM on Sunday mornings. We continue in our study of Islam in an effort to understand both how we are different from this religion and how we can respond to the adherents of Islam. Please join us for this timely discussion.
