Life Quote – July 26

“Assisted suicide is ethically wrong because it denies the presence of human dignity, the concept that underpins human rights legislation. Being dependent on others does not remove dignity. We do not think of a baby as having less dignity than an adult, despite he/she being totally dependent on his/her parents. Similarly, a person with a terminal or chronic illness has no less dignity than anyone, but society needs to show this.” *Gordon Macdonald, public policy officer for Care Not Killing Scotland.* **A Life Quote from Lutherans For Life.** www.lutheransforlife.org

16th Annual Lutheran Night with the Minnesota Twins

On Wednesday, August 26th, Pastor is planning to take the youth of the congregation to the metrodome for the 16th Annual Lutheran Night. The Twins will play the Orioles that evening and \$1.00 for every ticket sold through the Lutheran Night program will go to Thrivent Builds with Habitat for Humanity. General admission tickets are available at a reduced rate of \$7. A sign-up sheet has been posted on the bulletin board for those who would like to attend. Interested adults from Immanuel are also encouraged to participate. Please make your decision by August 5th and make checks payable to Pastor Sorenson as he will make the reservation with a credit card. Youth may bring friends as long as they are signed up. If you have further questions, talk to Pastor at your earliest convenience.

“Proof”

Speaker: Rev. Dr. Ken Klaus

Jesus is the Savior if He can do that which only the Savior can do: the blind receive sight, the lame walk, the deaf hear, the dead are raised, and good news is preached to the poor. (John 6:30-32)
