**LIFE QUOTE**

"Let us stand firm for the rights of all people, especially for the most vulnerable, defenseless of them all, the unborn children ... The Church has confessed from the beginning that each life is created by God, that human life is the supreme gift of the Creator. Human life is not given unconditionally but is given under the condition that we will be responsible for preserving it." *Abbot Tryphon, Vashon Island, Washington – A Life Quote from Lutherans For Life* • [www.lutheransforlife.org](http://www.lutheransforlife.org)
