### **LIFE QUOTE**

**June 25** "There is a logical slippery slope between euthanasia for adults and for children. If death is regarded as a 'benefit' for sick or depressed adults, then it is difficult to see why children should not be given this 'benefit' as well ... Euthanasia and assisted suicide are contrary to the ethos of medicine, which is to care, not kill ... We must ... ensure that treatment is only withdrawn from patients of any age for a good medical reason. The motive for withdrawing treatment should never be to end a life." *Dr. Anthony McCarthy, SPUC Pro-Life – A Life Quote from Lutherans For Life •*

### **BOARD OF EDUCATION - UPCOMING MEETING**

Board of Education members are asked to stay after church on Sunday, July 9th, for a short meeting. If you are not able to attend that morning, please speak with Pastor at your earliest convenience. Thank you.

### **CATECHISM REVIEW**

**The Ninth Commandment: "You shall not covet your neighbor's house."**

#### ***What does this mean?***

We should fear and love God so that we do not scheme to get our neighbor's inheritance or house, or get it in a way which only appears right, but help and be of service to him in keeping it.
