THANK YOU

Thanks to all who came to the Emery Family Farm Party on August 22nd or contributed money to the United Mitochondrial Disease Foundation. We will be sending in nearly \$7,000 to the UMDF. Your generosity will help fund research and clinical trials for a treatment and will help support families affected by mito. Thanks so very much!!

The Emery and Stemmann families

THANK YOU

Thanks to all of you for the many well wishes, cards, prayers, visits and phone calls during my recent stay in the hospital and during recovery at home. Recovery seems to be really slow, and I appreciate your concerns and prayers for patience.

REVIEW: THE DOCTRINAL POSITION OF THE LUTHERAN CHURCH - MISSOURI SYNOD Of The Holy Scriptures

We reject the doctrine which under the name of science has gained wide popularity in the Church of our day that Holy Scripture is not in all its parts the Word of God, but in part the Word of God and in part the word of man and hence does, or at least, might contain error. We reject this erroneous doctrine as horrible and blasphemous, since it flatly contradicts Christ and His holy apostles, set up men as judges over the Word of God, and thus overthrows the foundation of the Christian Church and its faith.
